Ace Home & Outdoors

AMAZON RETAIL PARTNER · FORT PIERCE, FLORIDA

Your products, sold the right way on Amazon.

Ace Home & Outdoors is an owner-operated retail business that buys directly from brands and authorized distributors and sells to customers across the U.S. on Amazon. We protect your pricing, keep your listings accurate, and reorder as your products sell.

Paul Capozza

Owner

Paul started Ace Home & Outdoors in 2019, selling mostly offline, and later moved the business online. Before that he was an operations manager for a retail craft manufacturer, so he knows what brands need from a retail partner: accurate orders, on-time payment, careful handling of inventory and respect for the brand.

What we offer brands

- **MAP & pricing policies**
  We follow your minimum advertised price. No undercutting your other retailers.
- **Authorized sourcing only**
  Every unit comes from you or an authorized distributor: new, genuine, traceable.
- **Accurate listings**
  Correct titles, images and details. We flag listing errors and unauthorized sellers.
- **Prime-ready fulfillment**
  We prep and ship into Amazon's fulfillment centers (FBA) for fast Prime delivery.
- **Consistent reorders**
  A sensible opening order, then steady reorders as your products sell.
- **One point of contact**
  You deal directly with the owner, from first email to every purchase order.

What we carry
